Dear Home School Association Member:

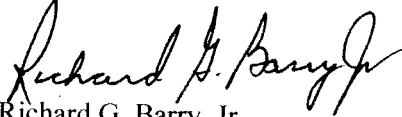

As we wind down another school year and plan for another successful Lip Sync, we wanted to take this opportunity to thank you all for your support this past year. Our events have brought us together as a community, allowed our children to socialize outside of school, and have financially assisted the school and parish to help maintain the excellent education our children receive. We wish you all a happy and healthy summer!

After 12 years of serving on the Home School Board and for the past five years as the president, Rich Barry has decided to step down. We believe that the Annunciation school community should all be proud of what we have been able to do to enhance our children's experience here at Annunciation School. Over these past twelve years, the Home School's fundraising has allowed our school to have laptops for all students, Smart Boards for every classroom, countless assemblies and many other items which have benefitted the children. None of this would be possible without the active participation of parents with a strong desire to help!

At this time, there are three open seats on the Home School Board, so we would like to ask for parent volunteers interested in serving on the Home School Executive Board. The Board will be comprised of 10 parents that will assist in coordinating our fundraising activities, parental education programs, and other volunteer support for the school and parish community. Parents willing to volunteer should be practicing Catholics who are deeply committed to Catholic education, be involved in Annunciation parish life, and be willing to assist with Home School Association events throughout the school year. If you would like to volunteer to possibly fill a Board seat, please send to Mrs. Kavanagh the completed tear-off below with your name and age(s) of your child (ren) by June 11, 2010. Upon receipt of all volunteers, Mrs. Kavanagh and Monsignor Keane will review the composition of the Board and announce the new officers and Board members prior to the end of this school year.

Your constant generosity and enthusiastic support throughout the year have been deeply appreciated and we thank you in advance for your support of the Lip Sync and our class basket raffle. If you have any questions, feel free to contact us, or any of the Home School Board Members.

Sincerely,

Barbara S. Kavanagh
