

August 15, 2011

Hello and welcome parents and new students to the 2011-2012 school year!

Kindergarten is an exciting and busy time. It is a time to make new friends and

learn new things such as reading, writing, adding, and subtracting. There will be lots of firsts, for example - leaving Mommy and Daddy all day, eating lunch at school, wearing a uniform, and having special teachers for art, music, library, gym, and technology. It is a big adjustment for students and parents alike, but we will all get through it together! By June we will be able to say we've worked and played and made new friends along the way. The location of the kindergarten classroom is in the new Early Childhood wing of the school, on the first floor, near the school library and three pre-kindergarten classrooms. There has been a lot of activity this summer preparing this new wing of the school which is very exciting!

I am looking forward to meeting you at the orientation on Thursday, September 8th at 9AM.

Sincerely,

Mrs. Mary Cutter

Kindergarten Teacher
