

November 3, 2009

Dear Parents:

As a follow-up to yesterday's letter, I must inform you that two parents of 4<sup>th</sup> graders and one parent of a 5<sup>th</sup> grader called us today to confirm that their children had tested positive for Influenza A.

We are continuing to monitor the situation, and I remain in contact with the schools office and will follow their directives.

If you do have a child out sick who presents with fever/sore throat/cough, please see your pediatrician immediately. As I stated in my letter yesterday, children should be kept home from school until they are fever free for 24 hours.

If you have any other questions or concerns, please do not hesitate to contact me.

Very truly yours,

Barbara S. Kavanagh  
Principal
