Educating Students in a Catholic Tradition of Excellence for the Next 75 Years

October 30, 2017

Dear Annunciation School Alumnus:

Happy Anniversary to Us!

Annunciation School has been educating students in a Catholic tradition of excellence for 75 Years! Over 3,700 alumni later, we are reflecting on our past and focused on taking the necessary steps to ensure our school will be here for the next 75 years.

Since 1943, we have worked to educate the minds, the hearts and the souls of our students. They learn, from their very earliest years, that Jesus loves them and that they should love each other. Lessons in mathematics, science and social studies are equally important to the lessons learned in religion class, where we provide our students with a solid, age-appropriate understanding of God's teachings and what it means to be Catholic.

When we reflect on how the world has changed since September 1943, as the very first youngsters entered a house on the corner of Westchester Avenue and St. Eleanora's Lane that served as both a convent and a school house, we know that it is almost impossible to imagine what the world will look like 75 years from now. We do know that a quality, Catholic education will still be necessary.

Building a New Foundation!

This school year, we are celebrating our anniversary in a variety of ways. The first is the creation of The AES Crestwood Foundation, Inc. This Foundation will handle fundraising for the benefit of the school and will be overseen by a Board of Directors comprised primarily of alumni and parishioners. The Annual Fund is the major fundraising appeal for the Foundation.

We hope that you will consider making a donation to the Annual Fund today. Once again, we have been blessed with a challenge grant. **All donations made between now and December 31 will be matched up to \$40,000.** The goal for this year's Annual Fund is \$125,000!

A Gala Party!

In addition to the creation of the Foundation, Annunciation School will be celebrating its anniversary with a Gala Dinner Dance on Saturday, May 5. What a wonderful opportunity for all alumni to come together and celebrate alongside current school families. More information about this event will be forthcoming, but please be sure to save the date!

Thank you for the support you have given to Annunciation School in the past. And thank you, in advance, for the support you will give the Foundation. Your donation today will ensure the future of Catholic education at Annunciation School.

Sincerely,

Maureen Noonan
Principal

Laura Finneran
President, Foundation
